RE: PROPOSED PLANNING APPLICATION FOR POULTRY UNIT AT CWM FARM, ABERHAFESP,
NEWTOWN, POWYS, SY16 3JD

In relation to the application for a proposed poultry unit at Cwm Farm, Aberhafesp,
Newtown, I confirm that I am happy to receive poultry manure from M & J E Jones & D C E &
M N Davies.

As an adjoining, neighbouring farmer to that of Cwm Farm, we are currently farming 260
acres and would be able to sustain the use of approximately 400 tonnes of poultry manure
per year complying with areas upon which I cannot spread upon due to the proximity of
watercourses or as a result of the topography of the land,

With a large fertilizer bill every year, we could potentially reduce fertilizer costs significantly
safeguarding the future of our family run business.

Yours faithfully
